I WALK... I CRY... I KNEEL ...AN' MY NAME IS TEENA

23-in.
Toll **8.95**

- I assume almost any life-like pose
 - I'm 23 inches tall—I go to sleep
 - My long Saran pony tail is rooted-in
- I don't like to boast, but I'm really very talented! My sturdy plastic body is jointed at hips and knees so I can sit naturally in a chair, kneel on one or both knees, pose in almost any life-like position.

One of my attractions is my lovely, long Saran pony tail. It's extra thick and soft—and so much fun to shampoo, brush and comb. I'm looking forward to all the different hair styles my new mommy will dream up for me.

My head is realistically molded vinyl plastic—soft and firm as real baby's skin. I've got flirty lashes and lively glassene eyes that open and close. I can even cry when you want me to. I wear a beautiful 3-petal effect organdy dress trimmed with lace, corsages and bows. Full lace-trimmed slip, rayon panties, shoes and socks. Mailable.

Now you can make

Your credit is wealth . . . just use the increased buying power available to you at Spiegels through the wonderful new Budget Power Plan. Enjoy the Christmas you've always dreamed about . . . have the toys and fashions and little luxuries for the home as well as everyday needs . . . with peace of mind, protected by free Prudential Life Insurance.

THE BUDGET POWER* MONTHLY PAYMENT PLAN

Buy whenever you please, whatever you please. No need to wait until the bill is paid in full before ordering again. The Budget Power Plan is different from the old idea of buying one thing at a time, in installments.

We set aside an actual amount of credit for you—a CREDIT TRUST FUND.

YOUR CREDIT AT SPIEGELS IS ALWAYS GOOD up to the full amount of your Trust Fund. The Fund can be in any amount up to \$1000, depending on your budget. Use any or all of the Fund, as you prefer. Your monthly payments will, of course, be based only on the amount you are using. Every time you buy you draw out of your Fund . . . but every payment you make goes right back into the Fund, ready to be used over again. Add on new orders whenever you please . . . as long as the total you owe us does not exceed your Credit Fund.

FREE PRUDENTIAL LIFE INSURANCE protects you when you use the Budget Power Plan. It's a free service that costs you nothing . . . now or forever. No medical examination, no questions to answer, no red tape. We make this free Prudential Life Insurance part of the Budget Power Plan so you can use your credit without worry about "going into debt." Should death strike, Prudential pays your Spiegel Account . . . any balance up to \$1000.

FAMILIES NOW BUYING ON CREDIT at Spiegels can buy more thanks to Budget Power. They have a Credit Trust Fund and their Prudential Life Insurance. After each order the statement we send shows exactly how much MORE credit is available for "add on" orders.

TO OPEN AN ACCOUNT and use the Budget Power Plan for the first time, use the back of the Order Blank. We will set up a Credit Trust Fund for you and send your free Prudential Life Insurance. As always, credit orders must be for \$10 or more.

ON FIRST BUDGET POWER ORDER—

ONLY 10% DOWN on anything you order—

except lower terms of only \$5 down on items listed below

Air Conditioners, Bathroom Outfits, Cabinet Sinks, Clothes Dryers, Dehumidifiers, Dishwashers, Disposal Units, Floor Polishers, Furniture Suites and Outfits, Heaters, Ironers, Pumps, Phonographs, Radios, Ranges, Recorders, Roasters, Sewing Machines, Television, Vacuum Cleaners, Washers, Water Heaters.

If you buy items on which down payment is 10%, and also items from list above, figure down payment on each group separately and add them together for proper down payment to enclose.

After we ship order, we send statement showing total amount charged to your account, including merchandise, carrying charge, shipping charge and tax, if any, and amount of monthly payment.

FOR "ADD ON" ORDERS—NO MONEY DOWN

Your Credit Trust Fund is set aside for your use—every penny of it. You can charge new purchases any time the balance on your Account is less than your Credit Fund. It's easy to tell what the new monthly payment will be. Add your new order to your present unpaid balance, if any. Check the Budget Power Table at right to find what the monthly payment will be on the new total balance. We add carrying charge for amount of "add on" order only.

- If the monthly payment shown is the same or less than you are now paying, then there will be **NO INCREASE** in your monthly payment. Note—if you send a monthly payment at the same time you order, you can subtract it in advance from your unpaid balance. See Table.
- If monthly payment comes to more, new payment will be amount shown opposite new unpaid balance.

IF YOU SHOULD NEED A LARGER TRUST FUND please write to your Spiegel Budget Counselor. He is an expert on stretching a steady pay check, regardless of the amount.

30-DAY CHARGE

The 30-Day Charge Plan is exclusive with the Spiegel Catalog. Whatever you choose, you can buy it, try it and pay in 30 days. There is no down payment and no carrying charge when you order this way. You must have a Spiegel Account, of course, but you can apply for your Account at the same time you send the order if you do not have one now. After merchandise is shipped, we send an accurate statement showing total charges. Payment in full is due within 30 days.

Please follow our rule—Charge orders must be for \$10 or more.

FOR CASH ORDERS

If you prefer to send cash with your order you can do so in perfect confidence. Our pledge of Satisfaction Guaranteed or Money Back covers every purchase, cash or credit. On cash orders, please be sure to include parcel post and tax, if any. Overpayments are refunded to the penny.

Since we cannot handle C.O.D. orders economically, we do not accept them except in communities where we have Telephone Order Service and local Metro Package Delivery.

Shop By Phone In These Cities . . .

In many cities, Spiegel Catalog Offices give personal service, over the counter or by phone. You'll find trained order-takers . . . and enjoy overnight delivery

even on many items ordinarily shipped from factory. In larger metropolitan areas, local truck delivery and C.O.D. service is available to catalog customers.

HOW TO FIND YOUR RING SIZE

Wrap a piece of paper ¼ inch wide around widest part of finger. Cut ends to meet exactly. Lay paper on chart at right, with one end at "A". The reading at the other end is correct ring size. If you prefer—write to Spiegel, Chicago 9, Ill., for a Ring Size Chart, or call at Spiegel Catalog Order Office for fitting.

■ **HOW TO ORDER SHOES . . .** Tell us your shoe size, length and width . . . or tell us all the numbers and letters in your old shoes . . . or measure your feet as described below.

Rest LEFT foot naturally on paper WHILE SEATED. No need to draw outline. Have someone hold thin card straight up and down, as shown in sketch, and draw lines at 4 points indicated—

1. At tip of longest toe.
2. and 3. At joint of big toe and widest point of foot on opposite side.
4. At back of heel.

Attach paper to your order for shoes. When ordering for more than one person, send 4-point marked paper for each, and write catalog number of shoe you want on each paper.

IF YOU SEND TOO MUCH

Parcel Post—If you buy for cash, please send money for postage, except on prepaid items. It's easy to figure. Just add up the shipping weights on all items to be sent by parcel post, and find total pounds. Then locate your Parcel Post Zone on the map above, and refer to table at right. Example: If your order weighs 4 pounds, 14 ounces and you live in Zone 3, postage will be 44c.

If you buy on Monthly Payments or 30-Day Charge, there is no need to figure postage, which will be accurately billed and included in the statement sent after the merchandise is shipped.

Freight and Express—If there is an agent at your station, you pay shipping charges when the merchandise is received. If there is no agent, please include money to cover transportation. If you send too much, we will refund the difference. Freight charges are based on distance—consult your freight agent, or write us for actual charges.

How To Send Money—Money orders or personal checks are best. No stamps, please.

NEWLY DESIGNED QUIET TREAD. "Silent-Grip" gives super traction for sure-footed travel through mud or snow, yet runs quieter on bare roads without the annoying vibration or noise common to most mud-snow tires. Expertly designed for all roads and all weather conditions . . . a real Town and Country tire!

CONTINUOUS TRACTION TREAD combines maximum traction for starting and stopping with more sure-footed control for safer stops and starts. The broader, flatter tread provides positive gripping action for better control on ice and hard-packed snow, and a powerful grip for super traction in mud and loose snow. Designed with narrow, flexible tread members to provide self-cleaning action.

ORDER A SET FOR REAR WHEELS NOW! You can save up to \$1.50 per pair when you buy in pairs during sale! It costs no more to use a set of Mud-Snow tires . . . regular tires can be saved from the tortures of winter driving by putting on a pair of Mud-Snows in the fall and leaving them on until Spring.

FIRST LINE QUALITY. Whether you choose the conventional tire with tube or the tubeless tire, the same quality construction will be found in both. "Silent-Grip" Mud-Snow tire has all the construction features found in our popular Argyle First Line Deluxe Tire. For permanent mounting, see steel disc wheels sold separately on page 513 of big catalog.

GUARANTEED 18 months, 18,000 miles. See details of our broad 3-way guarantee on page 510 in our big Fall and Winter catalog.
